BiPSU FEASIBILITY STUDY TO OFFER NEW BACCALAUREATE AND GRADUATE PROGRAMS

TO: Functional Division Chiefs
Education Program Supervisors
Unit and Section Heads
School Heads, Elementary and Secondary Schools
Teachers, Elementary and Secondary Schools
Others Concerned

1. This Office has long established close partnership with the Biliran Province State University (BiPSU) and such partnership has contributed to the successful implementation of many educational programs and projects of the Division Office. The supply of quality teachers, some of whom have become productive school heads, is among its meaningful contributions to the Division aside from the material and technical supports.
2. As a partner that has benefited much from the University, this Office informs and encourages all school and SDO personnel as well as the Senior High School students to accomplish and respond to the survey questionnaires disseminated by BiPSU using the following links:
 - a. **Program:** Bachelor of Science in Public Administration
Target Respondents: Grade11 and Grade 12 Senior High School students
