DIVISION MEMORANDUM

No. 018 s. 2022

**ADMINISTRATION OF THE SY 2021 – 2022 NUMERACY TEST**

TO: Public Schools District Supervisors  
School Heads of Public Elementary & Junior High Schools  
Elementary & Secondary Schools Math Teachers  
All Other Concerned

1. As part of the Schools Divisions' effort to provide quality education to all learners despite the pandemic, all schools are hereby instructed to exhaust all possible effort to be able to conduct a numeracy test to **ALL Grade 1, Grade 2, Grade 3, Grade 4, & Grade 7 learners. Those Grade 5, Grade 6, Grade 8, Grade 9, & Grade 10 learners who were reported last school year as non-numerates should also be tested.** Those learners who were already considered as numerates last school year should no longer be tested but should be included in the report.
2. Due to the limitations brought by the pandemic, the numeracy test for this school year should only be administered twice. The first test, which is considered as a pre-test, could be administered to Grades 1 & 2 learners right after the end of the 2<sup>nd</sup> grading period while Grades 3 -10 can be tested starting today. **ALL learners who will be classified as non-numerates should be automatically included in the list of clientele of the schools' intervention program for numeracy.** The second test, which is considered as a post-test should be administered before the end of the school year.
3. The schools are given the discretion to plan how to administer the test with a reminder that on the course of gathering the numeracy data of the school, the existing health protocol should always be observed.
4. Following the attached template, all the Districts should submit electronically the District Consolidated Numeracy Data, 3 weeks after the end of the 2<sup>nd</sup> grading period for the pre-test & 2 weeks after the end of the 4<sup>th</sup> grading period for the post-test.
5. For clarifications, you may contact Mr. Rommel M. Tan Sr., EPS for Math of SDO Biliran.
6. Immediate dissemination and compliance of this memorandum is earnestly desired.
